

**AMENDMENT NUMBER 0001**

**to**

**MATOC SOLICITATION NUMBER: 05-0006-01**

**entitled**

***“INFORMATION TECHNOLOGY ENTERPRISE ARCHITECTURE SUPPORT SERVICE FOR THE  
OFFICE OF NAVAL RESEARCH FOR CODE 06 – OFFICE OF THE CIO”***

---

The personnel qualification for the Program Analyst or Equivalent as described in paragraph 4.1.2 of the solicitation is hereby changed to read as follows:

4.1.2 *Program Analyst or Equivalent*: At least a M.B.A or Master's degree in information systems, systems engineering, or equivalent from an accredited college or university and at least 3 years of experience in systems analysis, systems engineering, administrative science or equivalent – OR – at least 10 years of experience in information systems, systems engineering, or equivalent analysis specialty.

Except as stated within this amendment, all other terms and conditions within this MATOC solicitation remain unchanged.
